Name - Surname _____ Grade _____ No. _____

Teacher:	Ed Rush	Date:	10-02-2026
CEFR Level:	B1	Duration:	45 Minutes
Lesson Shape:	E (Receptive Skills)	Assessment:	N/A
Main Focus:	Reading	Materials:	Oxford Future Directions Workbook Reading Unit 3

Main Aim: By the end of the lesson, learners will have practiced the sub-skills of scanning for information and reading for specific detail in the context of a social media conversation about future foods.

Differentiated Input

Pedagogical Rationale: Differentiated Input & Learner Autonomy

Support is provided through pre-teaching high-frequency technical vocabulary (e.g., algae, molecules) and using a "Speed Scan" phase to build confidence before the detailed data extraction task. Fast finishers are encouraged to search for and describe other future foods not mentioned in the text.
